

"Sagardoa" Experience

Discover our apple orchards and the cider making process

"Sagardoa" Experience

A complete guided tour **taking you into the world of Basque natural cider** through some of the lesser known parts of the Petrítegi cider house: **the apple tree orchard, the museum and the cellars**. You will also enjoy a **short video** on how **things have changed in cider making at Petrítegi** since the 18th century until our days.
