

Bapo Kantari

Dinner with **bertsolaris** and **abeslaris**; enjoy a mixture of traditions

Bapo Kantari

Add entertainment to your day at the cider house with **a dinner featuring *bertsolaris* and *abeslaris***. *Bertsolaris* are Basque singers of improvised verse, always according to rules of rhyme and metrics. This is an ancient tradition in Basque culture.

While having dinner at the table and drinking cider *txotx*-style from the barrel, you can join in with the *abeslaris*, singing traditional Basque songs and listening to the *bertsos* sung by the *bertsolaris* alongside the *kupelas* or barrels.
