

Petritegi Kantuz

Songs in Basque about our tradition and our language

Petritegi Kantuz

This takes place at midday on December 19 and is organised by the Petritegi cider house and Ángel Maeizkurrena. With this event, we share a love of the Basque language, Euskera, and culture by singing songs about our tradition and our language. Everyone sings these songs while enjoying a fabulous menu among friends, washed down with cider poured txotx-style from the barrels at the Petritegi cellar.
