

Rowing in Orio

Experience that combines water sports and traditional gastronomy.

If you want to know what it feels like to be a rower for a day, come to the Olympic Rowing Club! We will meet up for the rowing activity at the Oria estuary in the town of Orio. We will visit the Arraunetxea to learn about the history of rowing and then, with the help of our instructor, we will board the *trainera* and row around the estuary. The activity lasts approximately 2 hours. Then, we will visit a traditional Basque cider house and enjoy the "txotx" ritual for tasting cider in our cellars and enjoy a traditional cider house menu.
