"Txotx" Experience

We will show you how cider making has evolved at Petritegi. Visit us for an inside look at a Basque cider house in the company of an expert guide. You'll also **pour cider straight from the barrel**.

Guided tour including the **screening of a 9-minute video on how cider making has evolved at Petritegi over the years**. You will take an inside look at Basque cider and will **pour cider straight from the barrel**, always in the company of an expert guide. To round off your visit, you will enjoy **a complete traditional cider house menu**.
