

“Urumea, the cider river”

Sport, gastronomy and Basque culture

“Urumea, the cider river” experience

San Sebastian has a river, the Urumea, with a long and rich history. For decades it was known as the Cider River.

Get to know the **Urumea and San Sebastian** and find out about the history of the surrounding area and the relationship with **cider and the “caseríos”** (traditional farmhouses). Urumea was the main highway that linked the villages in the rural areas with the city. **Cider and the farmhouse products** were **transported from Astigarraga to the port of San Sebastian** in an old **boat called an “ala”**.

An authentic proposal that combines **sport, gastronomy and Basque culture**. Offering the possibility of getting to know San Sebastian, the **Urumea river** and the cider houses through a **descent or ascent of the river** (depending on the tide) by kayak or canoe and sampling the **traditional “sidrería”** (cider house) **menu**.

Gipuzkoa’s Cidermakers Association organizes this activity in collaboration with **Lizeaga and Petritegi** cider houses and the **Arrauning company**. The Gipuzkoa’s Cidermakers Association will be the management of the reserve.

Duration: 4 hours.
